

Christopher Reckord

Chris evangelizes to local businesses that rather than managing their IT infrastructure themselves, high performance organizations, both large and small, have found that outsourcing their IT requirement provides a slew of benefits. His 31 years of experience in IT Industry includes a range of executive management roles in IT organizations locally and in the USA. He is a regular speaker on IT industry related topics in Jamaica.

Chris is currently the Chairman of The eLearning Jamaica Company where he has served as a Board Member since 2009. He is a council member of the Private Sector Organization of Jamaica (PSOJ) and serves as Chairman of their membership committee. He also serves as Council Member for the Jamaica Computer Society and as board member for Betting Gaming Lotteries Commission.
